School Description

Middle School serves as a bridge between a more sheltered elementary experience and the more independent high school years. It is a time of transition for students and families. Students at Twelve Bridges have the support of their teachers, staff, and administration. Students are exploring a more challenging academic environment. At the same time, they are experiencing rapid personal, physical, and emotional growth. It is our intention to challenge students academically while providing them with appropriate support, and to be available to families with concerns, questions, or needs during this transitional phase of their students.

Vision: To create a respectful, success-oriented, cooperative community that challenges all students to develop a curiosity for learning and to pursue academic excellence.

Mission: The staff at Twelve Bridges Middle School, in cooperation with the students, parents and community, will provide students with a safe and supportive learning environment in which to foster a culture of academic excellence and discipline in addition to life-long learning. Our goal is for our students to not only become responsible and well-rounded individuals, but also to become better citizens.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

The fire sprinklers appear to be in working order (e.g., there are no missing or damaged sprinkler heads). Emergency alarms appear to be functional. Emergency exit signs function as designed, exits are unobstructed. There does not appear to be evidence of hazardous materials that may pose a threat to pupils or staff. Hazardous chemicals, chemical waste, and flammable materials are stored properly (e.g. locked and labeled properly).
Structural: Structural Damage, Roofs	Good	Office: Stained ceiling tile
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	Storeroom: Gap under door There is no exposed broken glass accessible to pupils and staff. Exterior doors and gates are functioning and do not pose a security risk.
Overall Rating	Exemplary	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	68	69	55	57	50	50
Math	60	61	43	45	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Cells with N/A values do not require data.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

2018-19 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
7	15.4	30.0	33.8

Note: Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

TBMS encourages all parents to have an active role in their student's education. This includes opportunities such as the Parent Teacher Club, School Site Council, and supporting school activities/assemblies, Honors Recognition/Celebration, School Dances, and volunteering in classrooms in other capacities.

Communication with parents is provided through periodic email messages and school updates. There is a daily Student Bulletin, which is announced in classrooms each morning and also posted on the school website. The school website includes contact information for the teachers. Schoology provides information for classwork, homework, texts/quizzes, and projects through a link to on the school website. Grades/progress reports can be accessed any time through Schoology, which posts each assignment and related assignment scores.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The TBMS School Safety Plan includes a Crisis Response Plan, monthly fire drills, semiannual lock down/lock out drills and annual evacuation drills. The plan includes detailed roles and responsibilities for all staff members in an emergency on campus. The fire drills maintain student and staff familiarity with classroom evacuation, while the evacuation drill allows us to practice removing all students from campus in an orderly manner. We conduct lock down/lock out drills for maintaining a safe campus if an emergency requires all staff and students to be locked inside. TBMS is involved in ongoing professional development with regard to school safety and procedures.

Two separate lunch periods are monitored by four noon-duty aides to assist in the lunch time supervision. Teachers have duty stations before and after school for added school safety. We have a closed campus, visitors must enter through the main office and sign in and students are not allowed off campus during the school day. The school is also monitored by surveillance cameras 24/7.

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement			

Teachers work within their Professional Learning Community during early release days each Monday. During this time, educators analyze performance data, design lessons, develop common assessments, and articulate progress with colleagues. The PLC system is monitored through accountability documentation as well as teacher-principal interaction.

A major focus is on the AVID and STEAM programs. AVID (Advancement Via Individual Determination) is a college preparation program that requires the extensive training of staff members. Several staff members have been trained in AVID methods and many more are registered participants in future training. Some training is completed throughout the school year in workshops. The bulk of the training comes during Summer workshops. STEAM (Science, technology, engineering, arts and math) is a program we have implemented this school year through our elective schedule.

Teachers have been working on learning cooperative learning strategies. Research has shown that student engagement is one of the keys to success and cooperative learning strategies emphasize student engagement through peer interactions. Teachers have been given training through after school workshops as well as through peer coaching.

As we make a shift to a more restorative environment, with regard to discipline, teachers will begin the process of learning restorative practices. This training will be administered at after school workshops.

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

Twelve Bridges Middle School students have the opportunity to participate in a variety of special programs. Special education and intervention support are offered utilizing district and state funding. We offer a full range of enrichment classes including art, digital art, band, choir, music appreciation, drama, leadership, yearbook, astronomy, forensics, and robotics.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
