2018-2019 Yearbook Class Application

Please return completed applications to Mrs. Arnold
karnold@wpusd.k12.ca.us

The TBMS Yearbook class is responsible for creating the 100 page, full color yearbook. In this class students are expected to work independently and to meet all deadlines. Every student is responsible for writing captions and articles for the yearbook and for taking pictures of events on campus. Writing captions and articles requires students to interview other students and TBMS staff members. If this sounds like something that you would be interested in doing for an elective class please fill out the application below.
