

School Fund Raising Program

You can make a difference!

SureWest®

Finally, a helpful and useful fundraising opportunity! You can help raise money for your school while connecting to the most reliable and fastest network in the region. The program is easy; for every service you sign up SureWest will pay a proceed to your school. All you need to do is mention the school's name at the time of the sale. The more services that are installed, the more profits your school will receive.

Services (TV, Internet and/or Phone)	Amount paid to the school
3 services	\$50
2 services	\$30
1 service	\$15

Why SureWest?

SureWest is a premier provider of the most advanced communications products and services in the Sacramento Metropolitan regions. Our fiber optic network was constructed to deliver cutting edge Digital TV, High Speed Internet and Digital Phone services together – giving you better quality, more choices and faster speeds. No matter what you need we have a package for you; all from one company and all on one convenient bill.

- **DIGITAL TV WITH ON DEMAND:** Fiber optic technology delivers stunningly clear programs, movies, sports and premium channels with enhanced digital TV services featuring access to over 300 channels...and 57 of those channels are in True HD! Plus, Digital Video Recorder (DVR), Caller ID on TV, Pay-Per-View and access to over 1,700 hours of On Demand content.
- **HIGH SPEED INTERNET:** SureWest provides the fastest speeds in the region. Offering symmetrical fiber speeds of up to 50 Megs per second both uploading and downloading. Whether you are the serious web user, or the casual e-mailer, SureWest's Internet connection packages offer the fast speeds you need.
- **DIGITAL PHONE:** Highly reliable and affordable local and long distance digital phone service with 22 advanced calling features. Manage your features online at surewest.net. It's fast easy and convenient.
- **CUSTOMER CARE:** Our exceptional services are backed by best-in-class customer satisfaction levels making the experience with SureWest second to none. With SureWest, you get all the products and features you'd expect from a global communications company, with service as local as your own backyard.
