

# Twelve Bridges Middle School

## 2019-2020 School Supply List

TBMS is an AVID school. Our goal is to teach all of our students organizational skills that will prepare them to be academically successful not only at TBMS, but in high school and college as well. Therefore, every student is required to carry an AVID binder and use it for all their classes. In order for students to be successful, it is important to maintain supplies throughout the school year.
