Time Capsule Project
• This will be an **incredible** year of academic and personal growth for you!

• To make the changes fun and exciting to see, we will make time capsules at the beginning of the year.

• When you open them at the end of the year, you will see how much you have grown!
Decorate

A small closed container like a box, can, or plastic jar (no larger than a shoebox). The container must be decorated in a way that represents YOU. You can use pictures from magazines, photos, stickers, original artwork, designs ... be creative and have fun!!!
Name?

Dear ____________,

You will read this letter in June, 2011. Write your future self a letter describing your first impressions of Twelve Bridges Middle School. Make sure you use sensory details (see, hear, feel, smell, taste), and your thoughts about these first few days.
